# Symposium 2024

## Tierwohl Tiergesundheit

### Welcome to our 125 Years Anniversary SV-Symposium on Wednesday, September 04th, 2024 in Nuremberg.

We have reason to celebrate and therefore, we set up this symposium, featuring a five-hour program with selected speakers. After every presentation you will be given the chance to ask questions and for a personal exchange with the speakers.

#### OUR SPEAKERS ARE:

Dr Sebastian Ganz (AniCura Kleintierspezialisten/  
Small Animal Clinic, Karlsruhe and Weingarten)

Dr Bernd Tellhelm (DZG - Center for Dysplasia in Gießen)

Dr Jan-Peter Bach (VDH)

Dr Daniela Rickert (Official Veterinarian of the town of Nuremberg)

Dr Eberhard Manz (GENERATIO - Center for Animal Genetics)

- Expert Veterinarian for Breeding Hygiene and Biotechnology in Reproduction
- Expert Veterinarian for Surgery (LTK Hessen)
- Specialist for Animal Welfare and Animal Health
- Expert Veterinarian for Animal Welfare and Public Veterinary Issues
- Expert Veterinarian for Breeding Hygiene and Insemination
